

Affirmations for Receiving

I am worthy of receiving!

Goodness and abundance flows into my life and I welcome it!

I receive more and more money in many ways from multiple sources, expected and unexpected.

It feels safe to ask for and to receive money in ever-increasing amounts.

I now release all blocks to receiving, conscious and unconscious.

I know that I am deserving of all I have and more.

There is no limit to my worth.

There is no limit to the value I provide.

There is no limit to my receiving.

It is easy, fun and natural to receive.

I am grateful for all resources; I easily receive value in many forms.

I am ready and willing to receive now...

And so it is!
